

Drury West School
41 Burberry Road
RD 2 Drury 2578
Drury
(Address not yet operational)

Dear Applicant,

Deputy Principal- U4

"A Blue Sky Opportunity"

Thank you for your interest in the position of Deputy Principal for the new school in Drury West, opening February 2022.

The Establishment Board of Trustees, appointed by the Ministry of Education, is an experienced group of people, who have had many years involvement in educational leadership, management and school governance positions. We are looking forward to the Deputy principal appointment process. This is an exciting opportunity for someone who has a sound knowledge of teaching and learning pedagogies and a strong desire to set up a child centred curriculum, within an innovative learning environment. Once appointed, the Deputy Principal will work closely with the Principal during the establishment phase, to prepare for the school's opening.

Drury West is a brand-new development covering approximately 1,000 hectares. It is located 36 km south of Auckland's CBD. The closest metropolitan centre is Papakura, while Drury Village serves the established Drury population with schools, a sports complex, a community hall and the Drury Library.

The Drury West Plan includes a railway station and park and ride facilities. Drury West will also have a well-connected cycling and pedestrian network. Also planned is a new town centre with a "main street" located adjacent to the intersection of SH2 and Great South Rd. In the neighbourhood of Drury West will be esplanade reserves, sports fields, suburban parks and a civic space.

On behalf of the Establishment Board of Trustees, I welcome your application and Curriculum Vitae. Should you require any further information about the position, please do not hesitate to contact me on 0274995039.

Kind regards

Susannah Fowler
Chairperson
Drury West Establishment Board of Trustees.

Lisa Cavanagh
Principal
