

## TARGET RD PRIMARY SCHOOL

### Student's Consultation

*The Year 5 students were asked to describe the type of person they'd like their new principal to be:*

On the sociable scale, they'd like him/her to be: funny with a good sense of humour, friendly, kind, and be a happy sort of a person. They would also appreciate someone who is helpful when needed – perhaps even give a hug. The students had an eye for sports when they suggested his/she be sporty and to run sports.

They would appreciate someone who is: humble, respectful, supportive and understanding. They are happy with someone who would be reasonably strict.

The students were perceptive in asking that the principal be: resilient, responsible, well-organised and reliable. And generous!

*The Year 5 students would like to see their new principal doing all sorts of things during the school day or week:*

The young people would like to see the new principal in the playgrounds doing duty and leading by example by picking up litter and playing with them. It is a "must" that the new person take part in all school activities. They suggested the principal keep hands-on in teaching by being a reliever at times. One group thought the principal should lead change.

*What would these year 5s like their new principal to bring into the school?*

Celebrate good things that have happened at assembly.

Have a schedule board so we know what's on.

Organise a Festival to showcase our skills and talents (music, theatre etc.)

Individual attractions include: Jump Jam, more clubs, new games devised, parkour, trampoline field, jungle gym, zip lines, tree house, ladder on a tree, videogames, more trips, Tuck shop (and candy), Natural play area (product on a wall chart in the staffroom), and a "chill out" zone. They would also like things like a Christmas tree for the season and something similar for Easter.
